V SAIMANITEJA

saimaniteja01@gmail.com +91 85558 55022 Hyderabad, India LinkedIn

Professional Summary

Cybersecurity Enthusiast with hands-on experience in penetration testing, application security, and CTF challenges. Skilled in Python and Linux with a demonstrated ability to identify vulnerabilities and implement security measures resulting in improved organizational security.

Work Experience

Web Development Intern – Techineur *01/2024 – August 2023 | Hyderabad*

- Developed responsive designs and robust backend functionalities using multiple programming languages, enhancing technical proficiency and deepening enthusiasm for seamless digital experiences.

Education

Institute of Aeronautical Engineering – Hyderabad *2024*

Bachelor of Technology, Computer Science Engineering, Cyber security

Excellencia Junior College – Telangana State Board of Intermediate Education (MPC) *2020*

St. Michael's School – Central Board of Secondary Education, Telangana *2018*

Certifications

Python – Coursera *August 2024*

Prompt Engineering Generative AI for Marketing – Coursera *January 2025*

Google Cybersecurity Professional Certificate – Coursera *January 2026*

Skills

Technical Skills: Python, SQL, Linux, Wireshark

Projects

Flight Price Detection *06/2022 – 08/2022*

- Developed a Flight Price Detection system that utilizes machine learning algorithms to analyze historical data, current demand, and other relevant factors. This project aims to provide accurate predictions of flight ticket prices, assisting users in making informed travel decisions based on real-time market trends and optimizing cost-effective travel choices.

GitHub Static Security Analyser *10/2023 – 12/2023*

- Built a Python-based GitHub Repository Analyzer that assesses repositories for code and dependency vulnerabilities, leveraging Bandit to deliver comprehensive security insights and improve code quality.
